CONTEXT STATEMENTS PRACTICE:

Instructions: Write a contextual statement for each of the prompts below. This will not only help you review content from Unit 1 (1200-1450), but also help you practice writing context statements which, if done successfully, can earn you one point on both the DBQ and LEQ essays.

To earn this point, the response must relate the topic of the prompt to broader historical events, developments, or processes that occur before, during, or continue after the time frame of the question. This point is not awarded for merely a phrase or reference.

The final sentence of your context should narrow down to the topic of the prompt, tying your contextual statement to your thesis statement.
